

## **GODSON ELEKWUWA**

**(CHIEF OPERATING OFFICER)**

Godson Elekwuwa is the Chief Operating Officer of Starzs Investments Company Limited, where he provides leadership across the organisation's full operational and technical portfolio. A Chartered Engineer (CEng) and Chartered Marine Engineer (CMarEng) registered with the Engineering Council United Kingdom, and a Chartered Member of both the Institution of Mechanical Engineers (IMechE) and the Institution of Engineering and Technology (IET), Godson brings more than two decades of specialized experience in the marine and offshore vessel support sector to his role.

Since joining Starzs in 2012, Godson has progressed through each tier of technical and operational leadership — from founding the company's Technical & Engineering, Operational and HSE departments, to serving as Assistant General Manager, General Manager, and now Chief Operating Officer.

He was instrumental in growing the Starzs fleet from a single vessel to eleven offshore support vessels, a tenfold expansion that transformed the company's operational scale and market position. Throughout his tenure, he has led all Nigerian crew members and shore-based support staff, building a disciplined and internationally compliant workforce. He has also administered divisional budgets, directed all contractual and compliance obligations with clients, and implemented a preventive maintenance programme.

He holds an Executive MBA from the Quantic School of Business and Technology, an MSc in Marine Technology with Merit from the University of Newcastle, a BEng (Hons) in Mechanical Electronics Systems Engineering from Glasgow Caledonian University, and a Class 2 Certificate of Competency as Second Engineer (Unlimited).
